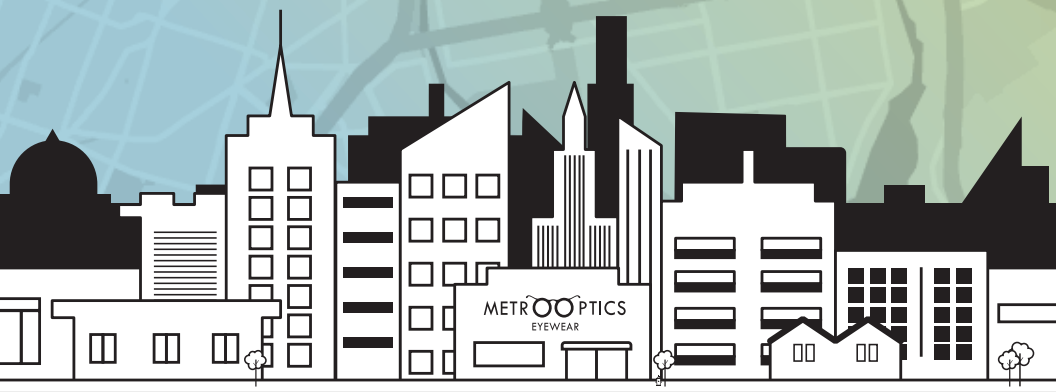
Featuring Contributions From The Bronx Arts Community



As a small business rooted in the Bronx for over 4 decades, we are excited to present the inaugural edition of:

Community Coloring Pages

These submissions from Bronx-based creatives showcase their unique representations of our business (eye care & eyewear), and our beloved borough. We hope you enjoy this new addition to our waiting areas and outreach events; we look forward to expanding the book with additional submissions, for future editions! Anyone who would like to contribute a piece is welcome to email coloringbook@metrooptics.com.

Bespectacled best regards,
